

# **PUBLIC NOTICE**

## **Sidewalk Replacement**

Hillsborough County Capital Programs Department will begin replacing your sidewalk **within the next two weeks**.

All work will be performed on weekdays (Monday - Friday) between the hours of 8 a.m. and 5 p.m., weather permitting. If adverse weather conditions delay or stop work, residents will be renotified. The work will involve heavy equipment and will generate normal construction noise.

### **Important Project Information**

- All personal property, including parked cars, must be removed from the rights of way and roadway during the hours of work.
- Please limit the use of your sprinkler system as the surface must be dry to complete the project.
- Traffic flow may be impacted for a short time.
- Please observe all signs and flagmen's directions.
- For safety reasons, please keep children and pets away from work areas and equipment.

### **Thank You for Your Patience**

Thank you for your understanding during this project as we continue to make improvements to better your community.
